

One occupant, alone in a square

Agent

Food

Predator

Hiding
predator

Rabbit

Terrain is the floor, not a picture in the middle

Bush

Rock

Tree

Campfire

A shared square keeps every occupant

Agent
on bush

Agent
+ food

Rabbit
on rock

Three
occupants

Four
(synthetic)

Every square is the renderer's real 50 px square, magnified 2.8x.
The floor is inset, so the square's own colour still shows around it.
